In this document:

'The Trust', 'We' and 'Our' refers to the Cambrian Learning Trust.

Parent refers to:

- Any person who has parental responsibility for a child / young person
- Any person who has care of a child / young person (i.e. lives with and looks after the child/young person)

## 1. Introduction

*'Low social mobility and lack of educational opportunity is arguably the biggest social challenge of our times: the income gap between the richest and poorest in society continues to widen, while education opportunities remain overwhelmingly dominated by children from the most privileged homes.'* Sutton Trust, 2014.

The Pupil Premium Grant is additional funding allocated to schools by means of a specific grant, based on the number of pupils in the school who are registered as eligible for 'Free School Meals', or have been recorded as eligible in the past 6 years (known as 'Ever 6 FSM').

Schools receive additional funding for children looked after by Local Authorities (previously referred to as looked-after children) and children previously looked after by a local authority or other state care (previously looked-after children).

In addition, a grant also provides additional funding for schools for pupils who have parents currently serving in the armed forces, or have served in the last 6 years, this is known as Service Pupil Premium (SPP).

The Pupil Premium is additional to main school funding, and it will be used to address and minimise any underlying inequalities between children eligible and those who are not eligible for the Pupil Premium.

*'The Pupil Premium is one of the most important tools we have to address the stubborn link between family income and education outcomes. Used purposefully, it can help tackle some of the barriers that stand in the way of eligible pupils' progress.'*

*The EEF Guide to the Pupil Premium*

## 2. Aims of the Pupil Premium Policy

- To improve the academic achievement of pupils who are eligible for Free School Meals; those who are cared for (looked-after children) and those who have parents currently serving in the Armed Forces

- To reduce the gap in the achievement of eligible pupils and their peers
- To provide additional resources, particularly in English and Maths, to ensure that eligible pupils have targeted support aimed at improving their achievement
- To promote progression of eligible pupils into Further/ Higher Education
- To promote the development of personal and social skills in eligible pupils
- To support the vision and values of the Trust and its schools

The policy outlines how we will ensure that the Pupil Premium allocated to us has an impact on narrowing the attainment gaps which currently exist between our disadvantaged pupils and their peers.

As a Trust in receipt of Pupil Premium funding, we are accountable to our parents and school communities for how we are using this additional resource to narrow the achievement gaps of our pupils. Measures are included in the performance tables published annually on a national level which capture the achievement of disadvantaged pupils covered by the Pupil Premium.

Through this policy, each Trust school will develop and publish their Pupil Premium strategy detailing specific information on their funding allocation; the challenges facing their communities; their spending plans and an impact evaluation of the previous year's spending.

### 3. Legislation and Guidance

This policy is based on the [‘Pupil Premium: allocations and conditions of grant 2023-2024’](#) document, published by the Education and Skills Funding Agency. It is also based upon the [overview](#) published by the Department for Education (DfE); the [‘Using pupil premium: guidance for school leaders’](#) document (March 2023) and the [‘Service Pupil Premium’](#) guidance.

### 4. Decisions around the use of the Pupil Premium grant

The Trust is accountable for the use of this additional funding. In making decisions on the use of the Pupil Premium we will:

- Ensure that Pupil Premium funding allocated to Trust schools is used solely for its intended purpose.
- Use the latest evidence-based research on proven strategies which work to narrow the attainment gaps and adapt these as necessary to meet the needs of our pupils.

- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage take up of FSM by working proactively with our parents in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM.
- Be mindful of the fact that eligibility and take up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium, by each school and each Local Governing Committee (LGC).
- Recognise the fact that FSM pupils are not a homogeneous group and cover a wide range of needs. As such the strategies we use to raise attainment will take these group and individual needs fully into account.
- Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance, whilst also recognising the importance of developing the whole child through identification of their social and emotional needs and the provision, where necessary, of appropriate intervention.
- Use high quality interventions with proven evidence of impact to assist our pupils who need additional support in a time limited way.
- Use the Pupil Premium for all year groups not just those taking examinations at the end of the year.

The Trust recognises that not all pupils who are eligible for Pupil Premium are underachieving, while also recognising that some pupils may be underachieving and not eligible for Pupil Premium funding. It is our policy to plan, adapt and prepare for any individual, or group, wherever under achievement is evident.

Trust schools must publish their Pupil Premium strategy statement on the school's use of the Pupil Premium in each academic year on their school website, in line with the DfE's [guidance for school leaders on using the Pupil Premium](#) and using the [templates](#) provided by the DfE (and shown in Appendix 2). This strategy statement must be published by 31<sup>st</sup> December each year.

Trust schools must ensure their use of the Pupil Premium and spending activities align with the DfE's 'menu of approaches (Appendix 1)' and show how the spending strategy is informed by research evidence, referring to a range of sources, such as the guide published by the Education Endowment Foundation (EEF).

Trust schools must ensure the use of the Pupil Premium funding aligns with the 3-tiered approach described in the EEF's pupil premium guide. The DfE states a school's activities must be those that:

- Support high quality of teaching, for example through staff professional development.
- Provide targeted academic support, such as tutoring; and
- Address wider strategies to tackle non-academic barriers to success, such as attendance, behaviour and social and emotional support.

Further guidance for schools can be found on pages 7 and 8 of the DfE's [guidance for school leaders on using the pupil premium](#) for details.

Trust school Pupil Premium strategy statements are available on individual school websites.

### **Service Pupil Premium**

[Service Pupil Premium: what you need to know - GOV.UK](#) helps schools provide mainly pastoral support for service children. Whereas Pupil Premium (PP) was introduced to raise attainment and accelerate progress within disadvantaged groups.

## **5. Roles and Responsibilities**

### **5.1. The Trustees**

The Trustees have overall responsibility for approving this policy and reviewing its effectiveness.

### **5.2. The Local Governing Committee (LGC)**

#### **The LGC is responsible for:**

- Holding the head of school to account for the implementation of this policy and the Pupil Premium strategy.
- Ensuring the school is using Pupil Premium funding appropriately, in line with the rules set out in the conditions of grant.
- Monitoring the attainment and progress of pupils eligible for Pupil Premium, in conjunction with the head of school, to assess the impact and effectiveness of the school's use of the funding.
- Monitoring whether the school is ensuring value for money in its use of the Pupil Premium.
- Challenging the head of school to use the Pupil Premium in the most effective way.

- Setting the school's ethos and values around supporting disadvantaged members of the school community.

### 5.3. Head of school and senior leadership team

#### **The head of school and senior leadership team are responsible for:**

- Reading and enacting this policy - keeping their school strategy up to date and ensuring that it is implemented across the school.
- Promoting a sense of belonging and building positive relationships.

- Identifying pupils whose attainment is not improving in response to interventions funded by the Pupil Premium and highlighting these individuals to the senior leadership team.
- Sharing insights into effective practice with other school staff.

## 6. Monitoring and Reviewing the Policy

Trust schools recognise the importance of context so will evaluate their strategies in relation to the Pupil Premium, on a termly basis. This will enable new strategies to be assessed robustly to ensure approaches used are having the desired impact in narrowing the gaps. Timely adjustments can then be made if particular strategies are not effective.

Through their own Pupil Premium strategy statement, each school will undertake an end of year review to assess the ongoing impact of their chosen Pupil Premium strategies. This will also include a judgement as to how well and effectively the premium allocation is being used. This evaluation will be shared with the LGB and once approved, will be published on the school website.

This policy will be reviewed on an annual basis and approved by the Trust Board. Adjustments will be made to the policy, accordingly, taking into consideration the impact schools have shown on narrowing the gaps. The policy review will also take into consideration any changes to the level of funding that becomes available under the Pupil Premium Grant.

## Part A: Pupil Premium Strategy Plan

### Statement of Intent

*At Watchfield Primary School, our core priority is to cultivate a climate where learning and achievement are at the heart of everything we do. We are committed to ensuring that no pupil is hindered from reaching their full potential because of their Pupil Premium status. Every child, regardless of background or circumstance, is entitled to an education that enables them to flourish academically, socially, and emotionally.*

Our Pupil Premium strategy is guided by the principles outlined in the **Education Endowment Foundation's Pupil Premium Guide**, and we take a **tiered approach** to spending that prioritises:

1. **High-quality teaching** – including professional development, training, and support for teachers at all career stages, as well as strategies for effective recruitment and retention.
2. **Targeted academic support** – ensuring that pupils who need additional help receive timely, evidence-based interventions that accelerate progress and close gaps.
3. **Wider strategies** – addressing non-academic barriers to success, such as improving attendance, behaviour, wellbeing, and providing social and emotional support.

#### **Values, Beliefs and Principles**

At Watchfield Primary School, we believe that the collective commitment of **pupils, staff, parents/carers, and governors** is essential to achieving equity and excellence. All members of our community are expected to demonstrate an awareness and understanding of the needs of pupils in receipt of Pupil Premium funding.

We strive to provide all pupils with access to enriching educational experiences that broaden their cultural capital and strengthen their academic foundations. Our principles are underpinned by the belief that:

- Rigorous collection, analysis, and use of pupil data inform targeted and effective provision.
- **High-quality teaching**—rooted in strong relationships and a deep understanding of individual needs—is central to achievement.
- **Early identification** of barriers to learning enables swift and effective intervention.
- **Regular monitoring** of progress ensures every pupil is on track to achieve their potential.
- **Parental engagement** plays a vital role in supporting pupil progress and fostering positive home-school relationships.
- **Attendance** is a key priority; every day counts.
- **Professional development** for staff ensures consistent, effective delivery of support strategies.
- All staff understand and champion the Pupil Premium agenda, promoting high expectations and aspiration for every child.

#### **Expectations and Implementation**

Our expectations for pupils entitled to Pupil Premium funding are ambitious and focused on securing both academic progress and personal development. Support will be delivered in a variety of ways throughout a child's journey at Watchfield Primary School, ensuring that each pupil

benefits from experiences that nurture their potential and strengthen their sense of belonging and aspiration.

We will:

- Set **clear ambitions** for the impact of Pupil Premium funding.
- **Identify and analyse barriers** to learning swiftly and accurately.
- Establish **measurable outcomes** and evaluate the effectiveness of all strategies.
- Conduct **thorough audits** of Pupil Premium spending.
- **Monitor progress regularly**, ensuring Pupil Premium pupils remain a key focus group across all areas of school life.
- Provide **training and support** for all staff in effective strategies for supporting disadvantaged pupils.
- Ensure **access to free school meals** and provide **financial support** for essential items such as uniform, PE kit, trips, and learning resources.
- Support **smooth transitions** between educational phases, ensuring continuity of provision and understanding of individual needs.
- Offer **enrichment opportunities** and extra-curricular experiences that build confidence, self-esteem, and cultural capital.

Through these commitments, Watchfield Primary School seeks to ensure that every pupil in receipt of Pupil Premium funding not only achieves academically but also thrives as a confident, resilient, and engaged learner, fully prepared for the next stage of their education and life beyond school.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number                                   | Detail of challenge   |
|--|---|
| 1) <b>Attainment and Learning Gaps</b>             | Children require additional support in reading, writing, and mathematics to close attainment gaps. Many pupils also need to develop greater confidence, resilience, and independence in their learning approaches.  |
| 2) <b>Language, Literacy and Oracy Development</b> | Limited vocabulary, reduced oracy skills, and lack of engagement in reading for pleasure—often linked to restricted life experiences and limited access to quality texts—have hindered progress in reading and writing across the school.   |
| 3) <b>Attendance and Mobility</b>                  | Ensuring the attendance of Pupil Premium (PP) children is in line with their non-PP peers remains a priority.<br><br>High mobility within the school population, including a significant proportion of international military children and Afghan Refugees who often arrive speaking little or no English and stay for only one academic year or less, presents additional challenges for continuity of learning and progress tracking. |

|  |   |
|--|---|
| 4) <b>Social, Emotional and Mental Health (SEMH)</b> | A growing number of pupils require support to manage challenging behaviour, anxiety, stress, and wider mental health needs. The limited availability of external support for disadvantaged families has further reduced opportunities for timely and targeted intervention. |
| 5) <b>Personal Development and Cultural Capital</b>  | Ensuring all pupils—particularly those from disadvantaged or mobile backgrounds—have equitable access to a broad range of enrichment opportunities, both within and beyond the curriculum, to enhance personal development, social confidence, and cultural capital.        |
| 6) <b>EYFS Progress</b>                              | Ensure that disadvantaged pupils in Reception make rapid progress from their individual starting points so that they quickly develop the foundational skills needed for future learning.  |

## Intended Outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome   | Success criteria   |
